

Genie Imaging

Genie Imaging, established in 1987, is a London based photographic and digital imaging laboratory. We have always been at the forefront of digital imaging and work closely with professional photographers and keen amateurs.

I am sure you will enjoy using our online printing service and this cd facility will enable you to use volume printing by cd at the keen prices available through our e strategy. We print on Fuji Crystal Archive paper on a photographic printer using lasers that write the image back at 400 dpi.

We are here from 0900 - 1900 hrs Monday to Friday. Call us if you have any difficulties on 020 8772 1700 or email to orders@genieimaging.co.uk

CD or usb key burning instructions for Windows

Step 1 – Create destination folder on your desktop and name it

- Right-click on the desktop, choose “new”, choose “folder”.
- Rename the folder “mrs Jones 011 222 3333 (i.e. your name and phone number)
To rename the folder: Right-click on the folder and choose “rename”).

Step 2 – Create a subfolder for each finished print size

- Open the “mrs Jones” folder, right-click in it, choose “new”, choose “folder”.
- Rename the folder to “6x4” or 7x5” etc or the size you want.

Step 3 – Create a further subfolder for the finish “Gloss” or “Matt”

- Open the folder for the size required
- Right click in it choose new folder
- Rename the folder to “Matt” or “Gloss” depending on the finish you want (If you want both Matt and Gloss pictures you have to create one folder called “Matt” and one folder called “Gloss”).

Well done! You now have a folder with your name on it and subfolders for the size and finish you require. All that remains is to copy your images into the folder size and finish to complete the order.

Final step – Copy the photos into your selected folder

- Target the image, right-click, choose “copy”.
- Go to the destination folder (size and finish), open it, right-click in the folder, choose “paste”.

For multiple copies of the same picture, please copy the picture the number of times you want it to the folder, windows will rename the image “copy of 1.jpg” for you.
DO NOT ASK US TO DO MULTIPLE COPIES YOU MUST ADD THEM TO YOUR DESTINATION FOLDER

*Step 6 – Burn the “mrs Jones” folder to a cd **AND***
PLEASE CHECK YOU CAN READ IT AND THAT ALL YOUR FILES ARE THERE.

Example

You want:
1 picture sized 6x4 gloss
2 pictures sized 6x4 matt
1 picture sized 7x5 gloss
